## TO ORGANIZE AN ATHLETIC ASSOCIATION

If the plans of Deputy District Attorney Wilbur S. Pierce, Stanley Wright, C. J. Crary and other young men of the city go through to a successful completion, Richmond will in the near future have a first class athletic club, something that the city has long needed and has never had.

A meeting of those interested in the proposition of organizing an athletic club in Richmond has been called for 8 o'clock next Tuesday night. The meeting will be held in the law offices of Johnston & Pierce, Sixth and Macdonald. All men, young or old, who are interested in the scheme for the forming of a club that will mean much in both physical development and social enjoyment, are not only invited, but urged to be present at the gathering.

Although no chairman for the evening has been chosen, it seems to be the unanimous opinion of all that Pierce is the right man to preside. He has had considerable experience in things athletic and he has many good ideas that will undoubtedly be incorporated when the club is formed.

Pierce said yesterday: "When we have a few meetings we can work out the financial end of this affair. Possibly a good, strong athletic club could get the funds it nedes with which to erect a building, or at least secure suitable quarters, by organizing a stock company. Details of this character must be threshed out later."

The ideas of the majority of those boosting for the organization of the club are that there should be a fully equipped gymnasium, a swimming pool and other athletic accessories.

Through the medium of an athletic club, business and professional men of the city would be able to get an hour or so of good, helpful recreation and exercise daily.

## Union Men Are Told of Label League

Mrs. Workman, member of the campaign committee of the Women's Union Label League, addressed the meeting of the Central Labor Council last night, on the objects of the new organization and the responsibility resting upon the union men in regards to its success.

Mrs. Workman urged all the delegates to make a point of bringing the matter before their various locals. All members of unions are urged to tell their wives of the league, of its objects and why they should join it.

## Remembers Nurses In His Last Will

In the will of Jacob Spahr, who died at the Roosevelt hospital several months ago, four nurses and a doctor who attended him during his last illness, are bequeathed small legacies.

Two of the nurses, who are to receive $100 apiece under the terms of the will, are Miss Lila Mahan, daughter of Mr. and Mrs. W. H. Mahan, resident of 460 Tenth street, and Miss Louise Esola of 508 Barrett avenue, who was formerly in the employ of the Abbott hospital in this city. Miss Esola is the sister of Miss Jennie Esola, who is at present employed in the capacity of a nurse at the Abbott hospital.

Miss Mary Hake and Chris Funk of Berkeley, two other nurses, will get $100 apiece, while the attending physician, Dr. H. Peck of Berkeley will receive the sum of $200.

## MAY RECONSIDER OWENS' BILL

### HUGE VOTE ASSURED LABOR CANDIDATES

### LITTLE HOPE TO CHANGE VOTE ON MEASURE

SACRAMENTO, April 7.—The labor forces, headed by Senators Finn and Tyrrell, are working hard to change enough votes on the Owens open shop bill to kill it should it come up for reconsideration tomorrow morning. Senator Cohn of Sacramento, who voted for the bill, is wavering; Hans of Alameda, who was absent Tuesday, will vote for it, and it is said that Ruch, who voted against the bill, will change his vote if enough pressure is brought to bear on him.

The bill passed the Senate Tuesday by a vote of 22 to 17. It would prohibit the unions from limiting the number of apprentices and is admitted to be a move to crush the labor unons.

### FOLLETT NEXT CHIEF? RUMOR NOT CREDITED

Little credence is placed in the rumor that Gary Follett is being groomed for the job of chief of police.

While the rumor is persistent and comes from apparently authoritative sources, it is said that Gary is well provided for and has a still better job in view after he relinquishes the councilmanic toga.

What Follett's new job is to be hasn't been made public. However, it is said that it is in the street contracting game, in which he is so well versed.

### STAND ON CITY HALL QUESTION VERY POPULAR

Great results are being obtained in the campaign of the three labor candidates for the city council.

A meeting of the campaign committee was held last night, which was addressed by James Snee and Terry O. Carman. Both candidates declared that they had met with gratifying results and that they were confident the voters of the city will turn a large majority to them at the primaries, April 20.

Great numbers of voters outside of organized labor have declared their intention of voting for the three labor candidates, because of their square stand on the City Hall question. They have pledged themselves to make every effort, regardless of the decision of the Supreme Court, to put the matter of locating the City Hall to a vote of the people.

They are the only candidates that have dared to say anything about the City Hall question and the people of Richmond are going to vote for the men that believe that the voters have enough brains to say where public buildings should be located.

They have also pledged themselves to see that local workmen are employed on city work. They are men of known integrity, men prominent in and out of union circles and their election is certain.

Another meeting of the campaign committee will be held Sunday.

### S. O. TANKER DRAKE ARRIVES FROM SEATTLE

The Standard Oil tanker Drake arrived at the long wharf yesterday afternoon from the Union Iron Works. It will load with oil and return to Seattle.

## *Held to Answer for Failure to Provide*

Thomas Rogers was held to answer to the Superior Court on a charge of failure to provide ofr his four minor children, brought by his wife, at his preliminary hearing held before Police Judge Lindsey yesterday afternoon. His bail was set at $1000, which he has been unable to furnsh.

Mrs. Rogers testified that Rogers had only contributed $10 to the support of his four children since last August. She stated that she and the children are destitute and that the husband and father has several times refused to support them.

In extenuation of his act of not providing for his minor children, Rogers said he had been unable to find work, although he had looked for it for six months.

Mrs. Rogers declared that some time ago she divorced him on a complaitn charging cruelty and intemperance.

For the past several months the family has been kept in food, clothing and fuel through the kindness of neighbors. An effort is now being made by the officials to have the Board of Supervisors give the unfortunate wife and mother regular monthly aid. The matter will be called to the attention of Supervisor Zeb Knott today.

## Fourth of Series of Whist Parties Held by Odd Fellows Is Big Success

The fourth of the series of whist parties held by the hall association of the Odd Fellows and Rebekahs was very well attended last night in Fraternal Hall. Dancing added to the pleasures of the evening and refreshments were served.

M. N. Burick won the highest score of the evening.

Harry Marland won the first prize for the gentlemen; W. J. Wise, second; E. M. Betts, third; M. B. Roberts, consolation. Mrs. R. H. Curry won the first prize for the women; Mrs. C. L. Gilmore, second; Mrs. Bessie Gregory, third; Mrs. William Ellis, consolation.

The next and final whist party of the series will be held May 3, probably. That will be announced later.

## MOTHER OF MARGARET MAYO VISITS

Mrs. Elizabeth Mayo of New York City, mother of Margaret Mayo, who is internationally famous for the plays she has written, is visiting her niece, Mrs. W. J. D. Young, at the Raymond apartments.

## ANTI-PICKETING LAW WAS EXPECTED

The news that the Martines board of trustees had passed the anti-picketing ordinance, framed by Trustee McNamara, was received in Richmond union circles with little comment. The action was expected.

The ordinance makes it unlawful to picket a non-union job or to interfere in any way with a workman. A fine of $300 and three months in the county jail will be the cost of violation.

## NEW APARTMENTS

Work has been started on the four-story brick apartment house on the Burg Brothers' tract. The building is to be located at Roosevelt avenue and Nicholl boulevard.

The apartment house is to be modern in every way. A reception hall, dance hall and playgrounds for children, all patterned after the new ideas that have been tried out in the bigger cities, are included in the plans for the structure.

H. W. Scharkopf has been chosen coast agent for the California Vitreous China Co.

### LITTLE DAUGHTER OF MR. AND MRS. WILSON ILL

### PLANS BIG CLASS INITIATION SOON

Woodmen of the World of Richmond are making plans for a big class initiation to be held in their lodge rooms in W. O. W. Hall next Friday night. The Woodmen drill team spent two hours at practice last night.

### RANSOME CRUMMEY MULES ARE FOUND

Two mules, answering the description of the two that strayed from Ransome Crummey's barns near El Cerrito Hill, and whose disappearance resulted in a long drawn out search conducted by Poundmaster Smith and Inspector Betts, were reported to have strayed to the Hutchinson quarry at Stege yesterday by Constable Davis. Davis says the mules answer the descriptions of the two that are missing.

## NO OBJECTION TO STREET MEET

Providing Rev. Peterson, pastor of the First Methodist church, does not attempt to conduct his street services on the sidewalks along Washington avenue, Chief Charles Walker has no objection to the services that the pastor proposes, and asked permission of the council to have.

Walker stated that he had investigated Peterson's request after the matter had been referred to to him, and that he found nothing to prohibit religious meetings on the streets of the city. The meetings must not block traffic, however.

## Hikers' Club Is Organized

In anticipation of the opening of the Marin ferry the members of the Sons of St. George lodge have formed a hiking club to take advantage of the walks for which Marin county is famous. The committee in charge consists of C. Millward, N. Moss and H. Longbotham.

Miss Leslie Pitchford has returned from a month's visit in Fresno.

Mrs. George Kingstrom left yesterday for Reno in answer to a telegram telling her that her father is not expected to live.

## FIRE DEPT. EQUIPMENT ARRIVES

When the arrival of the third auto truck of the Richmond fire department from Columbus, O., some time today, it is probable that the new firehouse at Nineteenth and Barrett will put in commission almost immediately. The new truck will be used in fire hall 2, while the truck in firehouse 2 will be shifted to firehouse 3.

The new fire truck, which has been on its way from Columbus for several weeks, cost the city the sum of $5000. It is declared by auto truck experts to be the best machine of its kind obtainable at any price.

Within the very near future, the appointments of three new firemen to man fire hall 3, will be made. It is possible that at next Monday night's meeting of the council, Fire Chief Lemoine will have ready his recommendations of those men seeking jobs whom he deems competent and fitted for work in his department.

The new firehall has been complete for over a week, and the fire department has been awaiting the arrival of the new truck. The Gamewell system will be installed within the neyt few days.

With three firehouses in commission, firehouse 2 will be the central station. Chief Lemoine plans to have the truck at number 2 respond to every alarm. The truck will remain at the scene of the fire if needed, and if not needed it will return to the firehouse. The firefighters in companies 3 and 1, under the new arrangement, will be assured of help, if help is needed.

In the neighborhood of 2000 feet of new hose will be needed with the third fire hall in operation. Some provision must be made by the councilmen for getting the hose, and the fire committee is now working on the matter.

Under the able leadership of Chief Roy Lemoine, the Richmond department ranks well up with all others in the state, including several cities much larger in efficiency and equipment. Improvements are being made slowly, but none the less surely.

## Say Davis to Gypsies and Watch 'Em Run

Constable Davis' fame has spread among the gypsy bands that are in this part of the state.

Three weeks ago Davis compelled a horde of gypsies, numbering nearly 300, who were in Stege to move across the county line into Alameda county, after housewives had complained that they were afraid of the wanderers.

Yesterday another gypsy horde, numbering about 100, reached Stege from Alameda county. They prepared to make camp. One of the leaders of the band ventured forth to get acquainted with conditions in Stege. Before he got through his investigation he heard that a man by the name of Davis was the constable of the township.

In less than an hour the small army had broken camp and was on its way up the county.

## NEIGHBORS HOLD ENJOYABLE PART

One of the most successful parties ever given under the auspices of the local camp of Royal Neighbors was held in Pythian Castle last night. Between whist playing and dancing all present enjoyed themselves.

The two winners of whist prizes were Marie Kearny nde C. B. Chaley.

Refreshments were served during the evening. The committee in charge was Mrs. C. P. Smith, Ella Bowden, Mrs. J. T. Hopkins, Mrs. Homer Douglass.

## MOTHERS WARNED TO QUIT DRINKING OR LOSE CHILDREN, SAYS CALFEE

Unless they stay with their promise to mend their ways and quit drinking, two local mothers, one of whom has five children and the other one young child, will face a fight instituted by Rev. D. W. Calfee, secretary of the Humane Society, in the courts of the county to have the children taken away from the parents.

Calfee, in speaking of the matter last night, refused to divulge the names of the mothers whose possession of their children is in jeopardy. He states he has given them one week in which to quit their excessive drinking, and that both have promised to quit and care for their children in the future.

The courts will be asked to interfere in case the mothers fail to live up to their promises to live a life that will enable them to give their children proper care.

## LABOR LEGISLATION.

(By Agnes H. Downing.)

The question that members of organized labor are now asking with the utmost persistency is, "What good measures is labor to get from the present Legislature?" It is most fitting that this question should be asked.

Just now the active vigilant efforts of the State Federation of Labor are centered on three bills. These are:

1st. To limit the use of the injunction in labor disputes.

2nd. To grant the right of trial by jury in all cases growing out of an injunction and where the offense charged has not been committed in the presence of the court.

3rd. Removal of property qualifications for jury service.

These three measures pertain to the working people as a whole. They go to the administration of justice and without such laws no rights can be maintained.

To limit the use of the injunction in labor disputes ought to meet with the approval of all practical persons as well as students of law. It will be remembered that the injunction is an old equity power of the courts. It was intended to be used only in cases where irreparable injury to property seemed imminent and where the action of the law was too slow to protect such rights. Of late years it has been applied to persons and as a measure to prevent peaceful picketing and other means wholly within the law, in time of strikes. Carefully considered, there should be no opposition whatever to confining the injunction to where it was originally used and where it properly belongs.

Regarding the right of trial by jury in contempt cases it must be borne in mind that originally contempt could only be committed in open court. There could arise no question of fact, for the act, to be contempt, had to be done in the presence of the court. The judge was given summary power to prevent interference with court proceedings. Now contempt has come to be applied to failing to comply with some order of the judge committed on the outside. A question of fact immediately arises. The person may be wrongly accused. Because of this, labor is asking that a trial by jury be granted in such cases. It is difficult to see how any American citizen should oppose so simple a right.

The third demand, the removal of property qualifications for jury service, is but to make our statute law consistent with the constitution. The Constitution of the state of California says: Sec. 24, Art. 1, "No property qualification shall ever be required for any person to vote or hold office." If such a limitation can not be put on the holder of an office, for a stronger reason it should not be required for jury service. Such a qualification is a remnant of the old property qualification for voting and should be dropped with the latter. It is opposed to the spirit, if not indeed to the letter of the Constitution.

These three measures are uppermost in the minds of organized labor. They are moderate in quality, extremely moderate. They are not new; in fact they already prevail in many, perhaps in most states. It ought to be but a question of bringing them to the attention of the Legislaure that they be made a par of the law of the state.

The present administration in California was supported by organized labor. The administration is pledged to humanitarian measures and to measures of social justice. Organized labor stands not for organized labor alone, for it is obvious that all protective laws secured by it apply to unorganized workers as well. Organized labor stands for all working people—in a bread sense it stands for all mankind. The question is squarely up to the administration—what is to be done on those fundamental laws urged by the workers of the state?

A bill to protect cement workers was defeated; it was urged that it would help but a small number of men. Other bills have been cold-shouldered on the ground that they called for an appropriation and there are no funds with which to carry them out. Still other measures are opposed on the ground that, as they would place restrictions on employers, they would keep industries out of the state. There are no such objectioons to these bills. They would not restrict any industry. They require no appropriation. They are moderate in tone and in demand and they apply to every worker in the state. They are in accord with the platform and promises of the present administration.

It is strange, indeed, that while corporations, both big and small, business men, professions, farmers, hunters, fishers, sports, institutions of all kinds, are expected to ask for and get legislation, that there must be something questionable for labor (which, broadly speaking, represents 90 per cent of the people), to ask for laws for its protection.

# CHARGE AGAINST HUSBAND DROPPED

Because Mrs. Paul Pucci refused to prosecute her husband on a charge of battery, the case against the Italian was dropped shortly after it was called in Police Judge Lindsey's court yesterday. Mrs. Pucci stated she loved her husband, and had no desire to see him punished for the fit of temper he developed during intoxication when he ht her over the head with a cup and blacked both of her eyes.

Pucci has stated to the court that he would get along amicably with his wife in the future. He was warned that if brought into court on a battery charge preferred by his wife again, he might not get off so easily.

**TO INCREASE THE CAPACITY OF PLANT**

Increases in the refined oil business of the Standard Oil Company of California will make necessary an increase of the manufacturing capacity of the Avon plant of the company, located in this county. The construction of additional facilities at Avon will be started in the near future.

**GRANDMOTHER OF TINGSTRUM WRITES FOR DATA**

Mrs. M. L. Tingstrum, grandmother of Jesse Tingstrum, who is now in the county jail at Martines awaiting his trial on the charge of contributing to the delinquency of 16-year-old Sandella Gadbury of this city, has written to Chief Walker, asking for all the information obtainable relative to the case of Tingstrum. The grandmother says she knew nothing of the young man's predicament until a few days ago. The accused man formerly resided with Mrs. Tingstrum in Los Angeles.

# SUSPECT MAKES ADMISSIONS

Admitting that the property stolen from the rooms of George Selich in Selby was found in his possession when he was arrested and further refusing to take the stand and tell how he came into possession of the articles, L. D. McKeen, a young man, was put on trial in the Superior Court yesterday morning upon a charge of burglary.

The jury consists of William Dainty, M. F. Christopher, J. G. Palmer, E. J. Tormey, C. De Benedetti, Herman Pers, A. G. Pramberg, L. Brackman, John D. Ulach, Fred A. Gore, P. J. McQuillan, Isaac Lester and Joseph Ruckstuhl.

McKeen and Harry Bond, the latter also facing the same charge, applied for work at a boarding house at Selby. They were given it and after staying on the job a few days disappeared. Simultaneously with their departure Selich missed a number of articles of jewelry and clothing from his room. The men were arrested in Oakland and Selich's goods were found on them.

Attorney Brown, who represents McKeen, asked if the fact that his client did not testify and further that he was caught with the goods would be sufficient to establish his guilt in the eyes of the jury.

# SEE "THE FIGHT" AT RICHMOND

A companion play to "Within the Law" is "The Fight," which made an immense hit at the Richmond theater last evening and which will be seen for the last times this evening with Margaret Wycherly in the role of Jane, a typically modern American girl, who inherits a bank and plenty of coin of the realm, but who uses her time when she is not being made love to to fight the graft and vice in her home city and who wins against great odds after some very trying and exciting experiences, and finally weds the man who has done so much to make her life and her work worth while.

"Other People's Troubles" is one of the best of the recent Keystone films and is just as funny as the dozens of other comedies which this lively company of comedians have turned out. "The Speed King" will delight every auto owner.

Drink Hornbeck's pure apple cider. 45-1m

The first regular meeting of the Ladies' Auxiliary of the Sons of St. George will be held in W. O. W. Hall April 21. A membership of 25 has already been obtained. All Richmond women of British birth or parentage will be welcome at the meeting. Mrs. H. K. Martin, 2425 Main street has been appointed temporary secretary.

With many friends in attendance, the funeral of the late Mrs. Minerva Alger, mother of Mrs. H. Dyer, resident of 1226 Bissell avenue, who died on Monday following a long illness, was held yesterday afternoon at 2:30 o'clock from the Smallwood undertaking parlors. Many floral offerings were in evidence during the ceremonies. Interment was in the Sunset View cemetery.

**ELOCUTIONIST TO GIVE A RECITAL**

Miss Mary I. MacBryde, bird imitator and elocutionist, will give a recital at Polytechnic Hall, corner of Fourth and Macdonald, at 4 o'clock next Tuesday afternoon. Miss MacBryde is now on her eighth tour of the United States. She is an expert imitator of California birds.

# BARNES CIRCUS WILL BE HERE NEXT SUNDAY: BIG PARADE FEATURE

The entertainment provided by the Barnes Circus is original, new, clean and instructive. Many sensational and thrilling features abound throughout the program, which are presented by famous men and women, wild animal trainers, who risk their lives in showing ferocious beasts to the public.

Sixty lions, tigers, leopards, pumas and jaguars are performers with the show. Twenty-four of the largest, full-grown, man-eating lions are used in one act. This lion act is sensational to a remarkable degree and the largest groupe of these great cats ever successfully presented before the public. They are well trained and are handled in the act by one trainer. Their value is placed at $50 000.

The glittering, mile-long parade is presented at 10:30. Performance hours are 2 and 8 p. m. The date for Richmond is Sunday, April 11.

# ALL-STARS CLEAN POINT BUNCH 3RD TIME

It was a hotly contested game that was staged on the First street grounds yesterday afternoon, when the Richmond All Stars beat the Point Richmond's by a score of 6 to 4. From the first inning until the ninth every advantage was bitterly fought for.

The game is the third straight that the All Stars have taken from the Point boys.

O'Rourke and Davidson were the battery for the All Stars, while McLaughlin, Sheotman and Hounsel were on the points for the Point Richmond nine.

This morning at 10:30 o'clock the All Stars will journey to Albany, where they will play with the Albany team, an aggregation that already has a good record this season.

# LADIES' AID HAS MEETING

The Ladies' Aid of the First Baptist church met at the home of Mrs. Stronberg yesterday afternoon. The meeting was not a business one and the women enjoyed the afternoon immensely. Mrs. Stronberg served delightful refreshments. The society will meet next week at the home of Mrs. Lang on Nicholl avenue, when the dinner that is to be given in the near future will be discussed.

Those present yesterday were: Mrs. Lang, Mrs. A. L. Pearson, Mrs. Willis, Mrs. Thompson, Miss Ada Sisson, Mrs. Hayes, Mrs. Frank Stout, Mrs. Paul Dunlap, Mrs. Grace Harshner, Mrs. C. W. Bettis, Mrs. C. E. Bennett, Mrs. C. Root, Mrs. W. Walker and Mrs. Stronberg.

Great preparations are being made by the members of Onetah Council for a big masque ball to be held in Pythian Castle on the evening of April 21.

The following committee is in charge: Mrs. L. Donnelly, Mrs. C. Barry, Mrs. M. McNeill and Mrs. E. Warrilow.

# WINEHAVEN WILL PLAY CONCORD SUNDAY

Manager Elmo Pinkerton of the Winehaven nine has announced that his team will journey to Concord Sunday to play the speedy club of that town. Although no official announcement has been made, it is rumored there will be several new faces on the Calwa lineup.

Winehaven has played four games this season, losing all of them with the exception of the first one. The suburban fans are determined that the consistent losing must stop, and they are after Pinkerton to get busy and sign up some ball tossers who can be depended on to field at least half of their chances without making errors.

# WILL SHARKEY'S MEASURE PASSED

By a vote of 46 to 2 the Assembly yesterday passed the joint resolution of Assemblyman Will R. Sharkey that the governor be authorized to appoint a commission of three or more persons to ast in conjunction with the federal government for the formation of a legal plan to improve the Carquinez straits and the San Joaquin and Sacramento rivers and the reclamation of the overflowed lands.

The idea is to segregate the expense among the government, the state and the owners of the property. Resolutions will be forwarded to Congress and the Senate asking that a similar resolution be passed for the appointment of a federal commission.

# BRAKEMAN IS PAINFULLY HURT

While taking a door off a freight car in hte Santa Fe yards yesterday afternoon, J. T. Rogers, a Santa Fe brakeman, suffered a painful, although not serious, accident. The door slipped and fell on Rogers' left leg, lacerating and badly bruising that member. The injuries were dressed at the Abbott receiving hospital by Dr. C. I Abbott. Rogers will not be able to resume his duties for nearly two weeks.

# SPORTING GOULASH

We never heard of Smith or Brown, two of the boys who are to visit this city with the Olympic Club nine Sunday, but they must be good or Bart Burke wouldn't have them on his team.

Ike Hamilton, formerly a member of the Oakland Coast League team, who played with Mickey Childs on the Colusa Trolley League infield one season, was in Richmond yesterday. While here he paid Manager Bill Luce a call. Hamilton is in good shape. He does not know to what club he will report this year.

* * *

Tom Fitzsimmons, St. Mary's College coach, has been released by the Wichita Club of the Western League, to which he was turned over by Detroit. "Fitz" and Wichita could not come to terms financially. He will be on the infield of the Petaluma Club this season. Lucky Healy.

HAPPENINGS IN THE SPORTING WORLD

## Some Reception Healy Received

(Petaluma Argus.)

Manager Healey of the Leghorns and William Kraus of this city attended the Richmond-St. Mary's College ball game at Richmond on Sunday and the Petalumans received a royal welcome from the fans of that city. When Manager Healey crossed the grounds to the bench of the college team he was cheered by the fans, showing that he is very popular with them.

## VISITING CLUB TO HAVE A FAST LINEUP

Bart Burke's Olympic club team, which will play the Elks Sunday, appears to be just as strong a team as the St. Mary's College nine. Bill Luce received the lineup yesterday and it is enough to make all loyal home fans sit up and take notice.

Some of the best known semi-professional balltossers ever developed in this state will be thrown into the breach against the Elks.

Following is the lineup of the Olympic nine, in batting order: Andrado, right field; Swanton, third base; Brown, center field; McGrath, first base; Smith, second base; Rippon, shortstop; Riordan and Harrington, catchers; Schammel, Howedge and Maple, pitchers; Barker or Mensing, extras.

If you follow bush ball and the progress of the bushers, just one glance at the above lineup is enough to convince you that the Elks are up against a hard fight from the first to the ninth inning.

Manager Bill Luce, promoter of baseball, will have a rival in a circus on Sunday afternoon. The circus will be just close enough to the ball park to allow the fans to hear the music from the circus' blatant bands. The circus shows both afternoon and night, so it will not interfere with the plans of several hundred fans for attending the ball game. They figure on seeing the game in the afternoon and going to the big show at night.

San Pablo's Junior team is to be figured with the best in this section this year. The win of the San Pabloites over the Oakland Wheelmen team Sunday has increased the prestige of the suburbanites over 75 per cent.

April 21—Whist party by Pythian Hall Association, in Pythian Castle. Prizes will be merchandise orders.

## BOXING AND WRESTLING AT BIG PAVILION TONIGHT

Two lively boxing mills of four rounds each, if they both go the limit, and a wrestling bout between two of the best men in the business are on tap for the fans of this city tonight. The fight pavilion, which is Kirby Floyd's skating rink on Eighth street, has been put in shape for the athletic carnival. Accommodations have been provided for the monster crowd of fans that will doubtless attend the opening of the four-round boxing game and the revival of wrestling in this city.

Dotson and Buckholtz, the giant wrestlers, have completed their training. Word from the camps of both men are to the effect that they will be sure winners.

When Dotson tries to throw Buckholtz two out of three times it will be the same old story of youth and stamina against ring generalship and experience. Dotson has been in the game but five years, while Buckholtz has been wrestling the best of them for twice that length of time.

Dotson will weigh about 185 pounds, while the Alaskan giant will go into the ring at about 187 pounds. Dotson, who was over from Berkeley last night to complete his training, said he felt strong enough to duplicate the feat he pulled off several days ago; that of lifting a two-passenger Ford machine weighing 1800 pounds.

"Ping" Milne and Al Mejia, the two local boxers, last night put an end to their training. Before the big crowd of men and women that gathered at the rink, they went through their paces with their sparring partners.

Mejia, who will box Eddie Flynn, a fast San Francisco bantamweight, will enter the ring weighing 116 pounds.

Milne will step four rounds with Jack Howard, a fast 133-pounder of San Francisco.

Milne will weigh 134 or 135 pounds. He claims to be in fine fettle, in spite of the short period allotted him in which to train.

## FRANK GORDON TO START GAME SUNDAY

Frank Gordon, best of the semi-pro southpaws, will start for the Elks against the Olympic Club team Sunday. This announcement was made last night by Manager Bill Luce.

"There will positively be no sidetracking of Burns this Sunday," said Luce. "He is too good a man to be overlooked.

Gordon was to have started and worked for the Elks five innings last Sunday. Five minutes before the game Burns did not know that he was going in. The demon right-hander thought it would be up to him to pitch the last four innings.

Just why Burns went in when it was Gordon's turn to start the game is not known. At any rate, the portsider will be out there on the firing line Sunday.

## SANTA ROSA WILL HAVE A CLUB THIS YEAR

SANTA ROSA, April 7.—A public mass meeting to discuss plans for financing a baseball team in Santa Rosa this season will be held in the rooms of the Chamber of Commerce at the court house tonight. It is the intention of the fans to organize for the support of a team that Santa Rosa may have adequate representation in the athletic world. It is reported that arrangements have been made so that the McDonald baseball field will not be plowed up this year, as was at first planned by the owner. An organization will be perfected at the meeting and officers will be elected.

Daniels, the new outfielder obtained from Oakland, is tickled to death with the Elks. He claims they perform like any class A organization. If Daniels can keep up the lick he started Sunday, his popularity will soon rival that of Cunningham, Devereaux and Burns.
